

Personal specification for Mr Euan Ritchie

As it has throughout our history, DBS signifies the utmost in elegance and speed, comfort and performance. A car that combines cutting edge aerodynamics with the classic muscularity and presence for which our most potent series production models are renowned.

Enclosed you will find your personal specification of DBS, combining an undeniable blend of beautiful automotive art with unequivocal strength.

**DBS**

|              |                             |
|--------------|-----------------------------|
| Top Speed    | 211 mph (338km/h)           |
| Power        | 715bhp / 725PS @ 6500rpm    |
| Acceleration | 0-62mph (0-100km/h) in 3.4s |
| Engine       | 5.2-litre bi-turbo V12      |
| Torque       | 900Nm from 1800-5000rpm     |

## **Exterior**

DBS shape is unmistakably Aston Martin, but stronger, broader and more muscular than ever, not at a stylist's whim but to cool and control the most powerful production Aston Martin ever. The DBS is dominated by a breath-taking hexagonal grille, combining a sense of unbounded strength with the most natural beauty. This sets the visual agenda for the entire car while simultaneously feeding the insatiable appetite for oxygen of the mighty 715bhp engine.

#### WHEELS

21" 10 Twin Spoke Forged  
Wheel - Gloss Silver

### Interior

This configurator is not an offer to sell and is merely an indication of the types of Aston Martin vehicles, options or accessories which may be available from time to time and which may be ordered or purchased from an authorised Aston Martin dealer. Any purchase is subject to the terms and conditions of sale (including price) issued by the particular dealer. Any vehicles illustrated may include additional options at the time of any sale that are not featured here. Each vehicle or option described in this document is subject to availability. Features and specifications may vary according to each market. All information in this document is subject to change by Aston Martin without notice. Aston Martin makes no warranties, representations, or guarantees of any kind, express or implied, in relation to the vehicles and options presented including but not limited to, the accuracy, currency, or completeness of the information given in the Aston Martin vehicle configurator.

Official government fuel consumption figures in litres/100km (mpg) for the Aston Martin DBS Superleggera V12 Coupe: WLTP Low 24.1 (11.7); WLTP Medium 13.6 (20.8); WLTP High 11.2 (25.1); WLTP Extra High 11.5 (24.6); WLTP Combined 13.5 (20.9). WLTP CO2 Emissions 306 g/km (NEDC Combined CO2 - for information only 285 g/km). Urban RDE trip NOx 85.8 mg/km, PN 9e11; Complete RDE trip NOx 85.8 mg/km, PN 9e11. PEMS ID: 09-SCF-2018-0004; TA Number: e9\*715/2007\*2018/1832DG\*1612\*01.

Figures are intended for comparability purposes. The fuel consumption you achieve under real life driving conditions and the CO2 produced will depend upon a number of factors including the accessories fitted after registration, driving style, climate conditions and vehicle load.
