PRESENTING

**YOUR BENTLEY FLYING  
SPUR SPEED W12**

## YOUR PAINT

# Orange Flame Satin - by Mulliner

Orange Flame is one of the boldest colours in the Bentley range and makes a bold statement on any car. The addition of a satin finish combines adds a sporty feel to the boldness, creating a visually stunning colour.

YOUR INTERIOR

## Colour Split - D in Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Continental are naturally free of the insect bites that could otherwise leave blemishes in the leather.

## YOUR VENEER

### High Gloss Carbon Fibre

High-gloss carbon fibre replaces the veneer panels to add a contemporary, technical and sporty feel to the interior. An optic resin process enhances the 3D appearance of the carbon fibre weave.

## YOUR WHEELS

### 22" Speed Wheel - Painted Silver

A forged 10-spoke wheel, with a contemporary and dynamic aesthetic, highlighting the pinnacle performance position of the Flying Spur Speed.
